Recite the following poem [Click the play button for listening the poem.](#)

Reading stories is so much fun
Our English book has plenty of them
My friend likes mathematics
Not just problems but also tricks

My brother is fond of drawing
Birds singing and rivers flowing
My sister always plays with clay
Makes pots and toys to play

My cousin plucks leaves and flowers
Presses them between books and papers
Many to do, not just one
In our school learning is fun
