

THE IMPACT OF SOCIAL MEDIA

ACTIVITY 1 WATCH THIS VIDEO

SHARE YOUR OPINION

- Social media has changed the way we communicate
- Social media is only popular because you can see loads of photos of your friends
- The way we share images has changed because of social media
- Life without social media would be boring
- The photos you see of people your own age on social media are realistic

Self confidence is a super power. Once you start believe in yourself, magic starts happening
