

Write the numbers of the expanded forms below.

Example:

1. Four tens and two ones = 42

$$\underline{40} + \underline{2} = 42$$

2. Nine tens and one ones =

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

3. Seven tens and 7 ones =

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

4. Three tens and zero ones =

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

5. One ten and eight ones =

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
