Listen to the song and complete it with the missing words

What if we run away?
What if we left today?
We say goodbye to ...
What if we're hard to find?
What if we ... ?
We let them ... , and they're never found

And when the lights start flashing like a …
And the stars exploding, we'll be …

My youth, my youth is yours
Tripping on skies, sipping waterfalls

My youth, my youth is yours
Run away now and …

My youth, my youth is yours
A truth so loud you can't ignore

My youth, my youth, my youth
My youth is yours

What if we start to drive?
What if we close our eyes?
We're speeding through red lights
Into …
Cause we've no time for getting old
... ; …
..., here we go

And when the lights start flashing like a …
And the stars exploding, we'll be …

My youth, my youth is yours
Tripping on skies, sipping waterfalls
