# BRANCH'S APOLOGY SONG

TROLLS: THE BEAT GOES ON!

**A. Read the transcript while you are watching the video.**

**Branch:** "Creek!"

**Creek :** "shhh. I'm raking."

**Branch:** "Of course you are. Any idea when you'll be done?  
Look. I know you're probably **mad**."

**Creek :** "Why would I be mad?  
I finally got back in with my friends after months and now they think I'm a **coward**  
because of you! And I'm at peace with that."

**Branch:** "I'm sorry. Will you **forgive** me?"

**Creek :** "I'd love to forgive you."

**Branch:** "Good. Now let's head back so you could tell everyone."

**Creek :** "But **unfortunately**, I can't forgive you because I can see that you're still angry  
with me."

**Branch:** "What do you mean? Nothing.."

**Creek :** "See? Anger."

**Branch:** "Because you **slapped** me."

**Creek :** "Did I? \*slap Branch with the hair\*"

**Branch:** "Ooow. Okay. Is there a way I can prove that I'm not angry with you?"

**Creek :** "Oh, yes. You just have to **apologize** to me.  
In the front of the whole village singing in A sharp. It stills in many many virtues.  
I took the **liberty** of writing down the lyrics."

**Branch:** "What?? I'd rather have the Trolls be angry with me forever than sing this."

**Creek :** "Your choice." **Branch:** "Fine! Then I choose to be alone! ... Oh. I don't need the Trolls.  
Also I'm **glad** to be talking to myself again. I make some really good points.  
Looks like it's just you and me again, Gary. Arrgh. I never should start painting that."

**Poppy :** "If you don't let go of anger and forgive. You'll **wind up** with no one."

**Creek :** "Let go of your anger, Branch. Learn to forgive."

**Branch:** "Owwh. Well, after a lot of thought I decided I **owe** Creek a big apology. Here it goes."
