LESSON 1: Elements of Art

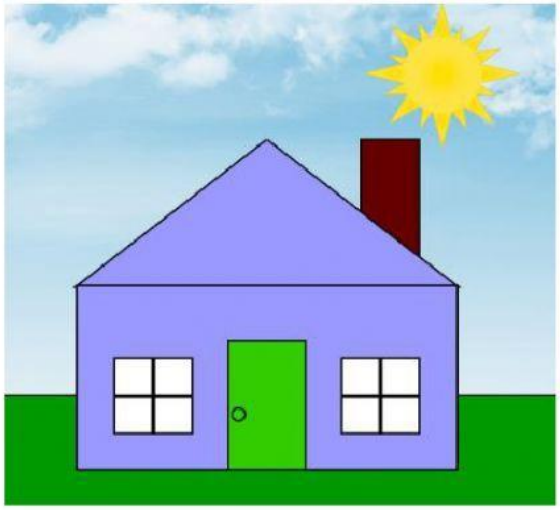
Let Us Learn

Observe the drawing on the right.

What symbols do you see?

Can you name them?

Can you see lines and shapes?

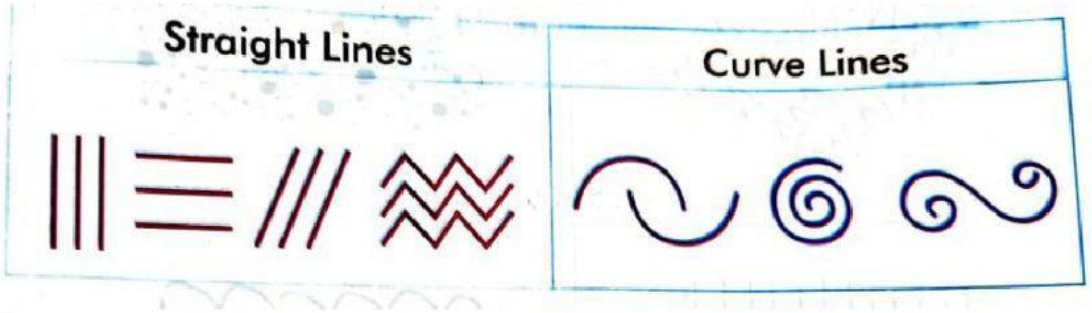


Elements of Art

Lines

Line is a prolongation of a point. Lines come in different ways. Some are straight, while others are curved.

Kinds of Lines



Shapes

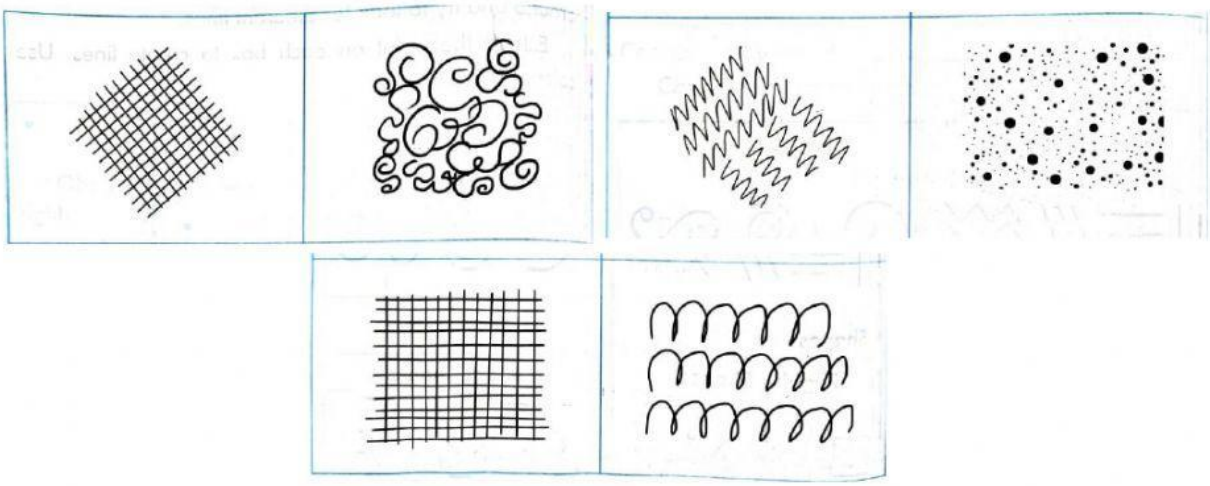
LIVEWORKSHEETS

Texture

Texture is the smoothness or roughness of an object. Textures are everywhere. By using lines repeatedly, textures can be created.



Choose the correct elements of arts.
