

## Read about Eve and Takeshi and complete the chart:

she lives in Kalgoorlie, Australia now. She isn't an ordinary doctor, she's a *flying* doctor. She works for the RFDS (Royal Flying Doctors Service). Every day she receives calls from patients in rural areas and flies in her air ambulance to help them.

She works 12 hours a day, but she loves her job, helping people makes her happy. Eve isn't married, she doesn't have time for a family!

Tokyo, but he doesn't live there at the moment. He lives in Switzerland with his wife, Sakura. They don't want to have kids yet. Takeshi works 5 days a week in the Institute of Molecular Biology (IMB) of Geneva. He doesn't go to work on weekends.

He loves his job. Doing experiments and discovering new things make him happy.
