### ALL THE STUDENTS IN MY ENGLISH CLASS ARE ABSENT TODAY

All the students in my English class are absent today. George is absent. He's in the hospital. Maria is absent. She's at the dentist. Mr. and Mrs. Sato are absent. They're at the social security office. Even our English teacher is absent. He's home in bed!

What a shame! Everybody in my English class is absent today. Everybody except me.

Absent – nieobecny

English class – lekcja angielskiego

Today – dzisiaj

At the dentist – u dentysty

He's home – on jest w domu

In bed – w łóżku

What a shame! Co za szkoda!

Everybody – wszyscy

Except me – z wyjątkiem mnie
