Level 3 - Quiz 3

Name: _____ **Class:** _____ _____/ 100

A) READ AND ANSWER (2X5= 10 PTS.)

Last night, I invited my friends to my birthday party.

I like parties very much but mine was terrible. Everything went wrong. Everybody was late because of the traffic. It was rainy. They were cold and they wanted to drink hot tea but the tea was very cold. I made them some hot chocolate. After that, we danced. The electricity went out. They wanted to eat something because they were hungry. Unfortunately, our oven didn't work so we didn't cook the pizzas. We ate cold sandwiches. The happiest time was when I opened the presents.

Next Saturday, I'm going to have a picnic with my friends but now I'm sure everything is going to be better.
