The United States

One of the largest countries in the world, the USA is located in North America. There are many famous places to visit here.

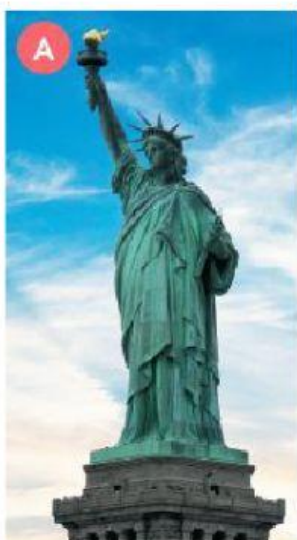

Florida is the perfect place for your family. Come and swim or surf in the warm and clear waters of Miami Beach (1). Have fun in the magic Walt Disney World (2). Great shopping too!

New York City (NYC) offers exciting movie theaters, restaurants, malls, monuments and museums. Visit the Statue of Liberty (3) and the American Museum of Natural History (4). Go skating in Central Park too (5).
