Personification

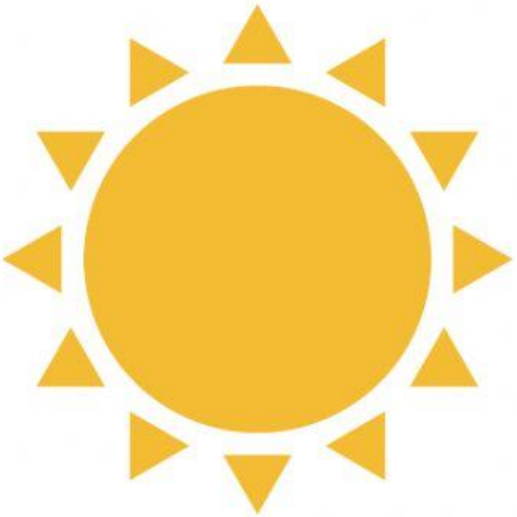

The wind	Woke up and spread light across the land.
The trees	Bullied the trees.
The stairs	Grunted and groaned beneath the man's weight.
The cars	Danced around the garden throughout the day.
The sun	Crawled slowly along the road.

Think about what human characteristics or feelings you could give to the following objects, plants or animasl and write them around each picture.
Think about your five senses - Can you think of something for each sense?
