Virtual classroom: Listen to the song and fill in the blank spaces below.

I've just come back from _____. Pharaoh's more than fair... _____'s fine. We tried to make another _____, but it's her _____ or mine.
Our years were off...the _____ were wrong. What a terrible snafu! #*#*#*
Friends, _____, countrymen...let me tell you what we're gonna do...
The _____ Calendar is gonna be the _____ way! Except for every _____ year, when we're gonna need an extra _____.
It's an easy fix. It's a great _____. It's a super duper move!
You can't be in _____, and then just sit _____. Caesar's gonna need to home improve, which brings me to another point:
Our _____'s lacking grace, but I got the plan to fix it _____...we're gonna chisel in my _____. The Julius _____...how am I the first to try it? Everything will make you think of _____ when you go and buy it. It's a good idea. It's a great _____! It's the perk of living large!
If I'm gonna lead, I'm gonna need to see that I'm in _____.
There are some that I may _____; I hear their grumblings in my court. There are some saying I'm in _____ of overreaching my support. There are some who claim the plot's afoot to even _____ me, but I survived a pirate's heist...I'll take some _____. You'll see.
The Julius _____...I'm _____ baby; yeah that's true! If I'm gonna be the _____ of the world, I'm gonna make a _____ or two.
I've conquered East. I've conquered West. Now I've conquered _____! I'm gonna change the world forever. I'm gonna change the world forever...Gonna change the world forever. Now, if you excuse, _____ is waiting for me!
Watch out you _____ _____. Caesar's back!
