NAME: _____ Date: _____

Problem: _____

Do you agree with how the characters solve the problem?

Yes, when....	No when....

Name: _____ Date: _____

Oh, Deer!

You are a scientist observing a small group of deer. The deer are eating grass in a field near a forest of tree. Deer have never been seen in this field before. Use the Vocabulary Words to write sentences about the deer.

Vocabulary

1. Grazing
2. Population
3. Starve
4. Surrounding
