LIVEWORKSHEETS

1) How do you evaluate this oral presentation?

a) It was a disaster. The speaker's ideas are disorganized. I don't understand what he is talking about.

b) It was clear. First, the speaker describes the festivity; then he explains what people can do; finally, he invites you to go to the Amazon and celebrate the festival.

c) I don't like the presentation. He presents the festival in a boring way. The information is long and complex.

2) How can racism affect our community? (More than one answer is possible)

- Racism brings physical violence.
- Racism brings unity.
- Racism protects our nation.
- Racism brings insults.
- Racism brings happiness.
- Racism denies the fact that diversity exists.

3) How can you show respect for diversity in the classroom?

a) I can negatively value native languages and traditions of other regions of Peru.

b) I can positively value native languages and traditions of other regions of Peru.

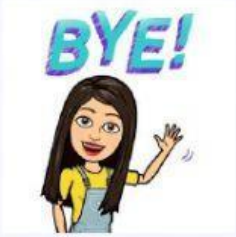

c) I can ignore native languages and traditions of other regions of Peru.
