Puma Katari Driver

3

Reading

Miguel is a Puma Katari driver in La Paz, Bolivia.

He works the morning shift from 5:30 to 1:30. His bus route is Route 2, which runs from Chasquipampa to Central Park. His route is busy, but it is a nice part of town.

Miguel likes his job because he gets off work early. He works four hours on Saturdays, but he is off on Sundays. He usually spends Sundays with his family.

Next year, Miguel will turn 62 and he can retire. His wife wants him to work for another three years, because in three years their house will be paid off. Their bills will be much lower then.

Miguel has worked hard for the past 30 years, and he wants to retire as soon as possible. He's not worried about money. What should Miguel do?

Write true or false.

- 1 Miguel is single.
- 2 Miguel works four hours on weekends.
- 3 Route 2 is in a dangerous neighborhood.
- 4 Miguel wears a uniform to work.
- 5 Miguel's house will be paid off in another three years.

What should Miguel do? Should he retire next year?
