

# LAST WEEKEND

## 1. LISTEN AND READ

**SATURDAY**

At ten o'clock in the morning I was in town with my friends. We were in the toy shop. The robots were great but my favourites were the cars.

At two o'clock in the afternoon I was at the cinema with my sister. The film was about ghosts. I wasn't scared but my sister was scared.

**SUNDAY**

At eleven o'clock in the morning I was at the hospital. My cousin was there because he was in an accident last week. He's OK but he's got a bandage on his leg. The nurses were very nice.

At half past three in the afternoon I was at the circus with my friends. The horses were beautiful. The clowns were very funny. The acrobats were my favourites. They were very good. It was a great weekend.
