Cheese Sandwich Recipe

These are the 7 steps of making a cheese sandwich. Rearrange the steps by dragging the texts and dropping them into the correct boxes.

Firstly, spread some butter on the bread.

Eat it and enjoy it!

You need a slice of cheese, two slices of bread, some lettuce and some butter.

Lastly, put the other slice of bread on the lettuce.

After that, put some lettuce on the cheese.

Next, put the cheese on one piece of bread.

Cut the sandwich into two pieces.
