We also went to the beach. It was very warm and sunny.

We went to play on the beach and built sandcastles. We had so much fun. The hotel was called The Beach Hotel. It was a really nice hotel and the people in the hotel were very friendly.

My favourite part of the holiday was when we went to the zoo. We saw all kinds of different animals. My favourite animal was the giraffe. They look so funny with their long necks and long legs.

When we arrived, we had some yummy food at the restaurant in the hotel. We stayed in a room at the front of the hotel. It has a balcony that we could stand on and look at the sea. It was my favourite holiday.
