As long as you love me **backstreet boys**

Watch the video and fill in the blank.

Although loneliness has always been a friend of mine
I'm leaving my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And [ ] you got me blind is still a mystery
I can't get you out of my head
Don't care [ ] is written in your history
As long as you're here with me

I don't care [ ] you are
Where you're from, what you did
As long as you love me
Who you are, [ ] you're from
Don't care what you did
As long as you love me

Every little thing that you have said and done
Feels like it's deep within me **(oooh, ooh-ooh)**
Doesn't really matter if you're on the run
It seems like we're meant to be

what

where

when

how

long
