

As long as you love me **backstreet boys**

Watch the video and fill in the blank.

Although loneliness has always been a friend of mine
I'm leaving my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And you got me blind is still a mystery
I can't get you out of my head
Don't care is written in your history
As long as you're here with me

what

I don't care you are
Where you're from, what you did
As long as you love me
Who you are, you're from
Don't care what you did
As long as you love me

where

when

Every little thing that you have said and done
Feels like it's deep within me (oooh, ooh-oooh)
Doesn't really matter if you're on the run
It seems like we're meant to be

how

long

I don't care who you are (*who you are*)
Where you're from (*where you're from*)
 you did, as long as you love me (**I know**)
Who you are (*who you are*)
Where you're from (*where you're from*)
Don't care what you did
As as you love me

what

who

love

Yeah-eh-eh!
As long as you **me**

I've tried to hide it so that no one knows
But I guess it shows
 you look into my eyes
What you did and where you're coming from
I don't care
As long as you love me, baby (oooh, ooh-oooh)

I don't care who you are (*who you are*)
Where you're from (*where you're from*)
What you did, as long as you love me
Who you are (*who you are*)
Where you're from (*where you're from*)
Don't care what you did (**yeah-eh-eh**)
As long as you love me (*as long as you love me*)
