2. Read about Charlie's day. Then, match the pictures with the times.

Hello! My name's Charlie and I'm eight years old. In the morning, I leave home at 8.45a.m. and I go to school at 9.00a.m. I normally have a snack at 11.00am.

When I finish school, I meet my friends at 4.30pm and I play with them. After that, I go for a walk with my big sister at 5.15pm. We come back home at around 6.00pm.

At 6.30pm I talk on the phone with my grandparents. After dinner, I go to bed at 9.00pm.
