

MIND CHALLENGE

PAGE 214 MATHEMATICS TEXT BOOK

- 4 Calculate the volumes of cube P, cuboid R, and cuboid T.

a

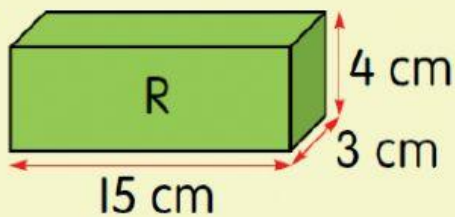

Volume of cube P

= Length x Width x Height

= _____ cm x _____ cm x _____ cm

= _____ cm^3

b

Volume of cuboid R

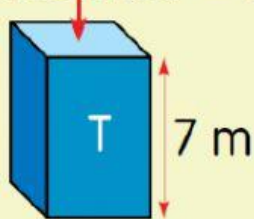

= Length x Width x Height

= _____ cm x _____ cm x _____ cm

= _____ cm^3

c

Surface area = $12 m^2$

Volume of cuboid T

= Length x Width x Height

= _____ cm^2 x _____ cm

= _____ cm^3
