Dear Sarah,

I am writing to you from my hotel in Bangkok. I am having a great time in Thailand! Last week I visited Chiang Mai. The scenery in the mountains was so beautiful! I drove a motorbike around the mountains and took a lot of photographs! I can't wait to show you! I also visited some temples and waterfalls. I also went to a big night market and I bought some souvenirs! I bought a t-shirt and some Thai tea to take home! We can drink some together, it is my favorite drink in Thailand!! I also bought a gift for you and I am excited to give it to you when I come back to America! Tomorrow I will go on a food tour around Bangkok. We will visit 6 different restaurants and eat a lot of Thai food! Our tour guide is a local woman from Bangkok and she knows a lot about Thai food and culture! Next week I will go to Krabi. I am excited to try snorkeling for the first time! I am scared but mostly excited! There are so many activities to do in Krabi! Maybe I will go rock climbing or hiking in the jungle! I also want to enjoy the beach and scenic ocean!

Send me a message when you get this postcard!
Sincerely, Claire
