PRACTICE

Here you are going to find a text that is disorganized, organize it writing the numbers from 1 to 10.

	after he goes to work by car at eight am, at work he has to workout very hard to endure the space voyages,
	he gets up very early in the morning everyday,
1	This is Robert, he is thirty six years old, he is an astronaut and works for the NASA, he lives in Houston with his family,
	he comes back home at five and helps to his children with their homeworks and also play with them in the yard,
	after the lunch he has a meeting with the other members of the spacecraft crew until four o'clock,
	Finally, they watch TV and go to bed after ten pm.
	at ten in the morning he studies about how to fly the spacecraft at the NASA library,
	at night he and his family have dinner,
	after two hours he has lunch at the restaurant,
	then he takes a shower, gets dressed and has breakfast,

3. Write the sentences of the exercise 1 in interrogative, negative and short forms.
