

# LOVE TO HATE ME

BLACKPINK

Love, I-l-love, I-l-love how you love to  
hate me  
Kinda sad that you always been like that  
See me making waves and you don't like  
that  
Driving through your \_\_\_\_\_ going  
splash, splash (Splash, splash, splash,  
splash)  
Stressing over nothing, baby, relax  
While you're getting angry I'ma kick  
back  
Only thing I think about is big stacks  
(Racks, racks)

Negative \_\_\_\_\_, negative \_\_\_\_\_  
Baby, you're wasting all your time  
I can't relate, I keep it light  
No, no, no drama in my life

Wake up, yeah, makeup, maybe  
I need you? Nah, I been good lately  
Blowin' up, workin' busy

You ain't worth my love if you only love  
to hate me  
Love, I-l-love, I-l-love  
How you love to hate me  
Love, I-l-love, I-l-love  
You ain't worth my love if you only love  
to hate me

I'ma let you fade into the background  
Baby, all my shows are gettin' too loud  
Keep on turnin' it up when you want me  
down  
(Me down, me down, me down)

Negative days, negative nights  
Baby, you're wasting all your time  
I can't relate, I keep it light  
No, no, no drama in my \_\_\_\_\_.

Wake up, yeah, makeup, maybe  
I need you? Nah, I been good lately  
Blowin' up, workin' busy

You ain't worth my love if you only love  
to hate me  
Love, I-l-love, I-l-love  
How you love to \_\_\_\_\_ me  
Love, I-l-love, I-l-love  
You ain't worth my love if you only love  
to hate me

Uh, love to hate me, you hate to love me  
I'm takin' back what you've taken from  
me  
You're mistaken, honey, this something  
that

\_\_\_\_\_ me why I be alone on my own  
If I needed you, I'd have you, that I know,

\_\_\_\_\_ I could do bad by myself, don't need help  
One of a kind, the hand that I was dealt,  
like oh, well  
Felt Cupid was stupid, I should have  
knew it  
'Cause I been through it, you wouldn't do  
it  
If it ain't \_\_\_\_\_, stupid  
(Foolish, stupid)
