Hi Jacob,

I hope you're having a nice summer. I was at the Bonnaroo Music and Arts Festival last weekend! I was with my brother, Luke, and my cousin, Tyler. The festival was on a beautiful farm and there were a lot of people there. It was really crowded. Each day, there were fantastic entertainers and great competitions. There was also a **circus**, a cinema and a theatre. There were places to buy souvenirs and some really funny T-shirts. The best part was the concerts; they were really exciting. My favourite band, Metallica, was amazing! The weather wasn't very good, it was cloudy. The food was great, though. We had lots and lots of delicious burgers. We had an exciting time! What about you?

Take care,
