Male Reproductive System

1. Label the parts of the male reproductive system in the picture.

2. Match the parts of the male reproductive system with its functions.

Prostate gland	the pouch of skin that contains the testes
testes	the male reproductive organ, through which urine and semen pass
Vas deferens	a pair of glands that also produce some of the fluid part of semen
scrotum	a pair of oval-shaped glands that produce sperm
penis	a gland that produces some of the fluid part of semen
Seminal vesicles	a pair of ducts leading from the testes to the seminal vesicle, through which the sperm travel
