

Watch and learn.

Write a paragraph based on the points given below.

Good morning to the headmaster, teachers, and fellow friends. My name is Najmee from 6 robotics. I am here to present a speech on the topic 'Stay safe from strangers'.

To stay safe from strangers, you must always tell your parents where and whom you are going out with. This is important because they can help you during an emergency.

Besides, you should not go with strangers. They may try to abduct you by saying they are lost or by pretending they need your help.

wait – parents – inside – school compound – not - roadside

As a conclusion always be aware and take care. Thank you for listening.
