Act. 4 Use of English

Use of English

4 Read the paragraph and write sentences about Hamad using the verb in parenthesis and the present perfect continuous.

Hamad has lived in Sharjah for two years. He is doing a five-year Business Management degree at the American university in Sharjah. He has travelled to several other countries recently for short breaks. However, he now has exams and is studying every day. At the moment he is using his smartphone to access his study material as his computer is not working.
