**Calculate business results:**

**Fill in the table, the formula and calculate:**

$$\text{Internal result} = \text{Products} - \text{Costs}$$

$$\text{Internal Result} = \underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

$$\text{Economic Result} = \text{Incomes} - \text{Expenses}$$

$$\text{Economic Result} = \underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

$$\text{Monetary Result} = \text{Collections} - \text{Payments}$$

$$\text{Monetary result} = \underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$
