3. Read the texts and answer true (T) or false (F).

The world in 2050

Samuel, 27
I think a lot of things will change in 2050. The world will have a lot of problems with the pollution and the climate changing. We will need to find other resources, because there will be more than nine billion people on Earth in 2050. I think we won't be able to have a better life.

Lea, 25
Our world won't be the same in 2050. We will improve our technology and everybody will be able to speak at least five languages. People will live longer and we won't have many health problems, because we will improve our knowledge on medicine. I think 2050 will be a great year for mankind!

a) ( ) Samuel thinks we'll have some difficulties in the future.

b) ( ) Samuel thinks we will have enough resources for nine billion people.

c) ( ) Lea thinks the future won't be different from the present.

d) ( ) Lea thinks in 2050 we won't have any health problems.
