Name:_____ **Date**_____ **Number:**_____

Suffixes –ful, -less

A suffix is a word part added to the end of a base word that changes the meaning of the word.

The suffix-ful usually changes a base word into an adjective. The suffix –less changes a base word into an adjective or adverb.

Directions: Add the suffix –ful or –less to the words below to from an adjective that completes each sentence. Explain the meaning of each adjective you form.

window cloud wonder end hope fear
