

SEKOLAH RENDAH KATOK "A"

Teacher Siti

Let's count the numbers from zero to twenty.

Parents call the number and the children point on top of the picture as quickly as they can. (HPL)

KIDS WITH NUMBERS 0-20

Example: Can you point number fifteen?

Click the correct word of each number.

| | | |
|-----------|---|-------------------------------|
| 16 |  | sixteen six sixty |
| 17 |  | seventy seventeen seven |
| 18 |  | eighteen eighty eight |
| 19 |  | ninety nineteen nine |
| 20 |  | twenteen twenty tewenty |

Match the number with the correct pictures.
