

Name: _____
Mathematics

Kindergarten 2

Count. Write the number.

 <input type="text" value="2"/>	 <input type="text"/>	 <input type="text"/>
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>

Drag and drop numbers 1 - 10 on the circles in the correct order.

 <input type="text" value="1"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text" value="5"/>
 <input type="text" value="6"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text" value="10"/>
<input type="text" value="2"/>	<input type="text" value="7"/>	<input type="text" value="4"/>		
<input type="text" value="3"/>	<input type="text" value="9"/>	<input type="text" value="8"/>		

Write the number that comes **before** and **after** each number.

Addition to 5

$$\begin{array}{c} \color{red}{\star} \color{red}{\star} \\ \underline{\quad\quad} \end{array} + \begin{array}{c} \color{red}{\star} \color{red}{\star} \color{red}{\star} \\ \underline{\quad\quad} \end{array} = \boxed{\quad}$$

$$\begin{array}{c} \color{purple}{\star} \color{purple}{\star} \\ \color{purple}{\star} \color{purple}{\star} \\ \underline{\quad\quad} \end{array} + \begin{array}{c} \color{purple}{\star} \color{purple}{\star} \\ \underline{\quad\quad} \end{array} = \boxed{\quad}$$

$$\begin{array}{c} \color{green}{\star} \color{green}{\star} \color{green}{\star} \\ \underline{\quad\quad} \end{array} + \begin{array}{c} \color{green}{\star} \color{green}{\star} \color{green}{\star} \\ \underline{\quad\quad} \end{array} = \boxed{\quad}$$

$$\begin{array}{c} \star \star \star \\ \hline \end{array} + \begin{array}{c} \star \star \\ \star \star \\ \hline \end{array} = \square$$

$$\begin{array}{c} \star \star \star \\ \star \star \star \\ \hline \end{array} + \begin{array}{c} \star \star \\ \hline \end{array} = \square$$
