Family Relationship

My family is very important to me. I love my parents and 1_____ and sometimes I think I don't know what I 2_____do without them.

But 3_____ family relationships is very 4_____ thing. Very often parents don't 5_____ their children and children don't 6_____to the parents. In this situation the relationships 7_____really bad. But if you are kind, flexible and attentive person you 8_____ to save good relationships with your 9_____ people.

It's not easy today 10_____ a parent. For them it's 11_____ important to 12_____ the children kind and confident. And children also expect 13_____ love and understanding from the parents. But if you 14_____ attention to each other, listen to each other and talk you will definitely have good relationships.

There are families with only one parent. In this way mom or dad 15_____ be twice stronger and 16_____an eye on the kids. I think in these kind of families relationships are worse. Here mom or dad has to work twice 17_____.

But even in families with two parents relationships can be 18_____. Sometimes parents are so 19_____busy with their life and their job, that they 20_____ control and connection with children. And that is really sad 21_____.

Relationships in my family are different, but in general I am happy. We have good and bad days 22_____ all other families. But we always try 23_____ and to solve any problem. It's important to be ready 24_____and to listen. People can 25_____mistakes, but it's good also26_____ these mistakes.

I respect my parents and I love my siblings. We work hard 27_____our home cozy and peaceful. And I advise the same to 28_____ if they are really care and love the family.
