Read the text below and choose the **best** word for each space. For each question, choose the correct answer A, B, C or D.

Good Manners

Adolescence, also known as the teenage years, is a period when teenagers try to assert their identity to fit (0) _____ in _____ with society. Many teenagers (9) _____ that what their friends do is the right thing. This is where the problem (10) _____. Very often, behaviour is learned. Hence this explains why some teenagers behave well (11) _____ others do not.

(12) _____, students learn that they should not make noise in the library. They know that the volume of their conversation may disturb another person who is trying to concentrate (13) _____ his reading. Learning to be well-mannered in various social settings takes place during this stage. Just as we decide what to wear to school or college each day, (14) _____ to be well-mannered is a conscious and mindful decision.

There is no doubt that as matured persons, we are (15) _____ for the way we grow. But sometimes we wonder, how a teenaged son or daughter who is fairly polite in the outside world, can be so rude to parents and siblings. This is because parents and siblings are the sponge, the absorber of blows, the wall to bounce off disappointments, worries and longing. Teenagers (16) _____ steam at home and this keeps them sane. Parents, on their part, must not (17) _____ the power of their example. While it may be difficult to be polite to a rude teenager, parents must try hard to do so. Maintaining standards have their (18) _____. If parents place a high degree of importance on politeness, the child will pick this up as important. Polite parents tend to have polite kids.
