### The Singapore River Clean-up

How was the pollution at the Singapore River managed?

**Match** the problem to the correct solution. The first one has been done for you.

|   |  |
|---|--|
| Abandoned boats<br>              | were cleared from the river                        |
| Vegetable Wholesalers<br>        | were resettled in HDB flats                        |
| Street Hawkers<br>             | were moved to HDB and Jurong Town Council estates  |
| People living by the river<br> | were moved to a new port at Pasir Panjang          |
| Lighters<br>                   | were relocated to hawker centres                   |
| Factories<br>                  | were moved to a wholesale market at Pasir Panjang. |
