A funny story

Read the text

Two Americans were travelling in Spain. One morning they came into a little restaurant for lunch. They didn't know Spanish, and the waiter didn't know English. They were going to tell him that they wanted some milk and sandwiches. At first, they pronounced the world "milk" several times. Then they spelled it. But the waiter could not understand them. At last, one of them took a piece of paper and began to draw a cow. He was finishing his drawing, when the waiter looked at it and ran out of the restaurant.

"Do you see", **said** one of the travellers. "What a pencil can do for a man who has language difficulties in a foreign country?"

The waiter was back again some time after, but he **brought** no milk.

He put down in front of the two men two tickets for a bull-fight.
