

# LIVING AND NOT LIVING

Can you remember these key words about we use to talk about all living things?

Not Living

Living

Used to  
be living

Living

Used to  
be living

Fruit and vegetables not living Plants used to be living seeds

are living  
things.

used to be living  
as they were part  
of a plant.

Many things  
are

A zombie  
is something  
that

Plants  
reproduce by  
making
