4. Read the passage , and then answer the questions

Everyone suffers from the common cold at some time or other. It isn't a serious illness, but people spend a lot of money on medicine. The medicine can only relieve the symptoms. That is, it can make you cough less, make you feel better, and stop your nose running for a while. So far, there is no cure for the common cold and no medicine to prevent it. People also drink a lot of hot water with sugar, lemon juice. It helps provide with a lot of vitamin C.
