Directions: Read and listen to the paragraph below and note the underlined phrases. Classify the phrases as **Reality** or **Fantasy** by sorting and drag and dropping them into the correct section of the chart.

Last summer, I went into the dusty, old garage. I walked up to the dirty car. With my small magic flashlight, I looked under the seats. I found a smelly, yellow sock. Then, I found a helpful alligator. He told me to look in the trunk. There, I found a singing spider. He sang a song about a striped pig. Next thing I knew, I saw a flying pig soar to the stars. A talking ant came up to me, and he said, "That flashlight is making you see things."
