

Read the story "Carnival" by Annette Keen

Write out new words:

Mark true sentences. Correct the sentences that are not true:

Jack is from Manchester

Jack is nineteen years old

The carnival is in London

Jack is going to the Carnival by underground.

Put the events in the correct order:

Jack takes a photo of Maria

Jack and Maria like each other

Jack sees a beautiful girl running to the float.

The police arrest Jack for theft

Why are police officers smiling when they look at the photo?

Retell the text in your own words:
