12 Listen, read and answer. 1.25

A portrait is a picture of a person.
It can be a painting,
a drawing or a photo.

A portrait can be realistic or abstract. A realistic portrait looks like the person.
An abstract portrait looks different from the person.

This is a portrait of Sylvette by Picasso. It is a realistic portrait.

This is another portrait of Sylvette. It is an abstract portrait. Which portrait of Sylvette do you like best?

Look at these portraits. Which portrait is realistic? Which portrait is abstract?

13 Look at the portraits of Sylvette. Write *true* or *false*.

1 She has got long hair.
2 The realistic portrait is a photo.
3 The abstract portrait is a painting.
4 She is happy in the portraits.
