

GUÍA DE ÁREA

1. Encuentra el área de cada triángulo, completando los espacios según la fórmula.

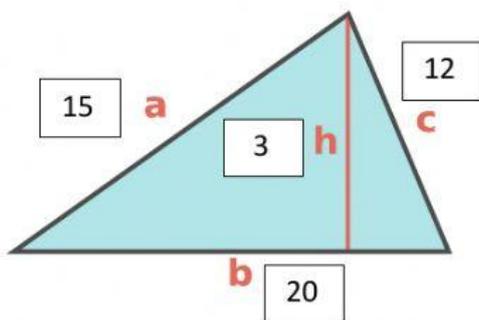

$$A = \frac{b \times h}{2}$$

$$A = \frac{\square \times \square}{\square}$$

$$A = \frac{\square}{\square}$$

$$A = \square$$

$$A = \frac{b \times h}{2}$$

$$A = \frac{\square \times \square}{\square}$$

$$A = \frac{\square}{\square}$$

$$A = \square$$
