Manager – Joo-Yeon Park

My name is Joo-Yeon Park. I'm the manager of the K-Pop group *Hello Beautiful*. I make sure that the group knows their schedule. I drive them to their concerts. Also, I make sure that there are no accidents at the shows. Anything can happen at a concert, so I need to make sure the group and fans are OK.

Singer – Anya

My name is Anya. I'm the leader and singer of *Hello Beautiful*. I write songs and sing them, too. I decide what songs we should sing during a show. I know how to sing in Korean, English, Japanese, and Thai. Maja and DJ Moon only speak English and Korean, so I teach them how to say things in Japanese and Thai.

Dancer – Maja

I'm Maja. I am the lead dancer of *Hello Beautiful*. I want to dance well for the fans, and I teach the other members of the group how to dance better. I practice a lot and do my best to not make mistakes. One time, I jumped too high and fell during a show. I couldn't dance for a week!

Rapper – DJ Moon

My name is DJ Moon. I am the group's rapper. I write new songs every day. I love to listen to music while I work. It helps me think. I practice a lot so I don't say the wrong words on stage. I need to speak fast and make sure that everyone understands me.
