My work experience

Matteo Lopez studies at university and works in a café. Every day, he writes a blog about his work experience and his life.

Monday, 12th October

Every morning, I get up at 7 o'clock and go to the café. It's not a big café. This morning only four people are working here.

Usually I work in the kitchen doing small jobs, but today I'm working in the café cleaning tables and serving customers. Right now I'm having lunch. I always have lunch at the café because the food is delicious and it isn't expensive. Usually after lunch I go to university to study, but today I'm staying at work in the afternoon because we are really busy. At university I'm studying business and I want to work in an office.
