

Read the story "Brown Eyes" by Paul Stewart

Write out new words:

Mark true sentences, correct false ones:

Susan and Peter are married

Mary is Mrs. Brown's sister

Somebody is pretending to be Peter

Susan and Peter go to the police

Connect parts of the sentences:

Peter and Susan see a man	and doesn't see the criminal come in
Mrs. Brown is sleeping	and remembers when it was taken
Peter takes a photo from the bed	and Susan recognizes him
The man appears	and hands over the gun to Peter
The man shoots Susan	and follow him

Why did the man pretend to be Peter? Do you think Peter will go to prison?

Retell the story in your own words:
