

UNIT #3 – VOCABULARY #2 SECTION

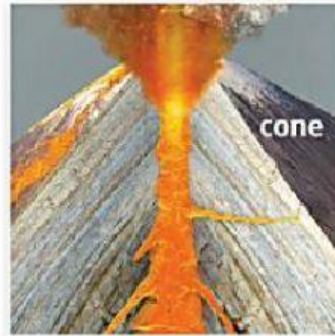

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

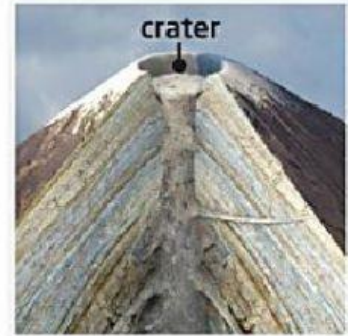

**6 Listen and repeat.** Then read and write. **TR: A21**

**dormant**

**active**

**extinct**

1. If a volcano is erupting, then it is \_\_\_\_\_.
2. If a volcano is not erupting, but may erupt in the future, it is \_\_\_\_\_.
3. If a volcano has not erupted in thousands of years and will not erupt in the future, it is \_\_\_\_\_.
4. The hole left at the top of a volcano that has erupted is called a \_\_\_\_\_.
5. The sides of a volcano form the \_\_\_\_\_ at the top.

**7 Listen and stick.** Work with a partner. Discuss. **TR: A22**

How do you know a volcano is extinct?

You have to read about it before climbing!
