John : What's your favourite sport?

Fred : I like walking and jumping on things - so it's *gymnastics*, I think. Or maybe (1) \_\_\_\_\_ because I love animals. What about you?

John : I love running and jumping, so (2) \_\_\_\_\_ is my favourite sport. But at school we're learning a new team sport. You use your hands to move the ball up in the air. It's called (3) \_\_\_\_\_

Fred : Oh I'm terrible at that! And what about sport on TV?

John : I like watching Japanese sumo (4) \_\_\_\_\_ ! But it isn't on TV very often.

Fred : Yes, that's really cool. I like watching fast team games like (5) \_\_\_\_\_ - my favourite team is Chelsea. I also enjoy watching (6) \_\_\_\_\_ - it's great when the players run with the ball. I'm into winter sports like (7) \_\_\_\_\_ too.

John : Yeah, I like going dangerous sports outside. I love (8) \_\_\_\_\_ and (9) \_\_\_\_\_ in the mountains in winter.
