

Arrastra el número correspondiente.

The image shows a matching exercise. On the left, there are 10 numbered circles arranged in five groups. On the right, there are 6 numbered circles. Lines connect some of the left circles to empty circles, indicating a sequence or relationship.

Left side circles (from top to bottom):

- Circle 5 (red) connected to an empty circle by a brown line.
- Circle 7 (red) connected to the same empty circle by a brown line.
- Circle 3 (purple) connected to an empty circle by a blue line.
- Circle 6 (red) connected to an empty circle by a blue line.
- Circle 4 (purple) connected to the same empty circle by a blue line.
- Circle 1 (red) connected to an empty circle by a dark green line.
- Circle 2 (red) connected to the same empty circle by a dark green line.
- Circle 6 (black) connected to an empty circle by a blue line.
- Circle 8 (black) connected to the same empty circle by a blue line.
- Circle 2 (green) connected to an empty circle by a black line.
- Circle 3 (green) connected to the same empty circle by a black line.

Right side circles (from top to bottom):

- 6
- 2
- 3
- 7
- 8
- 1
